(630) 440-1452

Education

St. Charles East High School 2014 - 2018

4.9 GPA (5.0 scale - weighted)

SAT: 1450

University of Missouri Expected Graduation: May 2022

Convergence Journalism: Multimedia Production

Minor: Film

Skills

I bring to the table a great deal of communication and leadership skills. Additionally I am creative and driven in my work. I am proficient in most of Adobe Creative Cloud software and have technical training with various video, photo and audio recording and producing technology.

Work Experience

Button Man Printing and Gaming 2017 - 2019

Print and Sales Associate : Manage printing and other hands-on tasks like cutting, mounting, folding, packaging, design, etc. In charge of answering phones, register and customer service. Used Adobe Creative Cloud software on a daily basis.

Missouri Student Unions 2018 - 2021

Building Manager / Student Supervisor : Supervised and managed daily operations and event set-up/tear-down in the Missouri Student Unions. Sent daily building reports to administration about maintenance needs, reservation changes, daily updates, etc.

Journalism Experience

Worked with professional newsrooms: Edited and produced content for KOMU, KBIA, Missourian, Global Journalist

Published: Missourian, Global Journalist, KBIA

Associate Editing: Advised, edited and produced stories to be submitted for publication; coordinated pitches, managed interviews, edited content and oversaw production by fellow students.

Directing and Producing: Directed, edited and produced B#sharp Music for Children virtual piano recital 2020 and intermittent virtual classes.

Photo Editing: Spent a semester working as a photo editor for the Columbia Missourian. I dealt with all types of photo stories, handling everything from coordinating the shoot to the final print design.
